photobiologyFilters Version 0.3.1
Catalogue of filters

Pedro J. Aphalo

July 30, 2015

Contents

1 Introduction **1**

2 Dummy filters **2**
2.1 Perfectly clear filter 2

3 Plastic films **2**
3.1 Cellulose diacetate 2
3.2 Polyester 6
3.3 Polythene 7
3.4 Rosco theatrical filters 7
3.5 Commercial greenhouse films from BPI Agri Visqueen 10

4 Plastic sheets **12**
4.1 Plexiglas 12
4.2 Polycarbonate 15
4.3 Polyestyrene 16
4.4 Polyester 16
4.5 Polyvinilchloride 17

5 Optical glass filters **18**
5.1 Schott long-pass filters 18
5.2 Schott band-pass filters 28

6 Petri dishes **29**

1 Introduction
